

My promise to you:

Our goal is to nurture children's imagination and foster their artistic abilities through **creative expression**.

The Candy Lab offers the opportunity to **learn a new skill** by gaining hands-on experience and developing fine motor skills.

We offer a safe space where kids can **interact with their peers**, share ideas and collaborate on projects. This helps to build confidence, communication skills and teamwork abilities in children.

When children work with their peers, they spend **quality time** together in a fun and constructive environment.

Crafters are proud to share their completed artwork with their parents. This provides **a sense of accomplishment** and serves as a memento of their creative efforts.

We provide **a refreshing break from technology** where children can explore their creativity in a screen-free environment.

The Candy Lab provides **a safe and supervised space** for children to explore and create under the guidance of experienced instructors.

The Candy Lab offers a **diverse range of crafts and projects** that **highlight creativity and innovation**. This ensures that our crafters remain engaged and excited about attending our sessions.

Ilyse Shapiro, Chief Confectionery Officer, The Candy Lab
